

Emergency Financial Assistance

WAIM is dedicated to helping our neighbors who are struggling to make ends meet. Many are underemployed, or unemployed; have been incapacitated by illness; or are experiencing a family crisis or another disruptive event. Emergency financial assistance from WAIM can help with rent or mortgage payments, utility bills, transportation expenses and other basic needs.

For more information, please call 860 456-7270 ext. 103.
