

WAIM Partners in Independence Program

Mentors Needed

Share your experience and empower others.

Meet weekly with an area learning partner to help them identify and meet their personal goals. You'll help:

- Recognize Strengths
- Identify ways to change barriers
- Find effective ways to budget and manage expenses
- Improve time management skills
- Develop strategies for finding employment
- Prepare for a job interview
- Make use of community resources
- Continue education
- Improve health and wellness

Mentor relationships change lives!

Share your practical life experience and provide thoughtful guidance to help your learning partner achieve positive outcomes.
