

# Lebanon Children's Clothing Wardrobe is offering curbside pick-up and drop-off!

We are keeping our facility closed to the public until further notice.  
We are offering "curbside" pick up and drop offs.

All swap business is by appointment only (Wed and Fri, 9:00 am or 10:00 am).  
Please email (lebanonccw@gmail.com) to set up a day/time, and include your name,  
town, and phone number. If another day or time is needed, please specify your  
availability for the following week.

## **I am now taking clothing requests from families**

- Please include your full name, phone number, town, gender and current size on every email.
- Please be specific in what you need (i.e., short sleeve shirts, long sleeve shirts, tanks, long pants, leggings, shorts, skirts, sundresses, long or short pjs, light jacket or sweatshirt, onesies-long or short sleeve).
- Please ask for just one size per child.
- Please mention if there are any sensitivity issues or anything your child will not wear (like jeans vs leggings or athletic pants).
- I will do my best to help fulfil your practical requests.
- When coming in for your appointment, you may bring in your child's outgrown clothes at the same time. We appreciate families that embrace our "swap" philosophy.

## **I am accepting donations of fall and winter clothing**

- I will only accept donations that are clean and sorted by size and gender.
- Please label your bags/boxes accordingly.
- Please do not drop off donations without an appointment!
- Email lebanonccw@gmail.com with your full name, phone number, town, and include photos of bigger non clothing items.
